Team Talk

- ✓ Were you raised with any of the above views of JUSTICE or were you raised within a basically Biblical framework of Justice such as we talked about last week at FORGE? If you were raised with any of the above, which view?
- ✓ Libertarian View: Many in our culture today would claim to be libertarian: how does this view come short of the Biblical view?
- ✓ Liberal: This view often seems very compassionate, and many Christians would find themselves in this camp. How does the Bible critique this view?
- ✓ Utilitarian: What's wrong with happiness? Does God want us to be happy? How does the utilitarian view of happiness fall short of the Christian view of happiness and joy?
- ✓ Postmodern Critical Theory: What does this view basically teach? How is it contrary to the Bible? Why is this power attempt for "justice" so damaging to people?
