TEAM TALK

- **Do you tend to think about our Lord's Second Coming in the course of your regular daily routine? Why or why not? Are you probably like most Christian men in this regard?**
- **We see in v 1-3 that the Disciples wanted to know the "when" of Christ's Second Coming. Why do you think they wanted to know that? Did Jesus give them a straightforward answer? What kind of answer did Jesus give them in the rest of the verses we looked at? What does this tell us about how we are to live our lives right now during the "already" of Christ's first coming and the "not yet" of His second coming?**
- **Of Jesus' ANSWER in verses 4-14...which of the 3 P's speak to you the most?**
