## TEAM TALK

- ✓ Which of the evidences for the existence of God have been the most compelling to you personally? Were you raised in a home where God was believed in? If so, did you ever go through a period of time when you doubted the existence of God? (This is healthy!) How did you resolve the God issue?
- ✓ Do you believe it is rationale/reasonable to believe in God? Does putting faith in Christ mean that you have to suspend your mind when it comes to thinking through ultimate issues like belief in God?
- ✓ Discuss what was taught under the heading: **HOW MUCH CAN WE KNOW OF GOD?** How is it helpful to have clarity about what was taught?
- ✓ IF time permits: How would you interact with someone who was honestly trying to understand why you believed in God? What approach would you take in seeking to prove it to him?
