Team Talk

- ✓ What were you reminded about relating to prayer today (at FORGE sometimes we are reminded about what we *knew* and *forgot*!)?
- ✓ What did you learn about prayer today that was new?
- ✓ Over all, what's really going on when we pray to God? What effect does prayer have on you?
- ✓ What has been your experience with prayer and sickness? Positive? Negative?
- ✓ On your own: Are there any men in your network who are running away from the Lord? Might He want to use you to reclaim those men? Would you pray about being *that guy* to make contact with him and maybe invite him to church or FORGE?
