 - ***It makes us true DOERS-v22-25***
 - ***It makes us truly CHRIST-LIKE-V26-27***

Team Talk

- **Intro question (short, around the table honesty)-** What kind of man do you *tend* to be...quick to hear, slow to speak, slow to anger, or, the opposite? (*Remember that the Gospel of Grace means that in Christ we are forgiven for what we are, and that God is in the process of changing us!*)

- **How do we become better “hearers” of the Word of God? What practical steps can we take as God’s sons to listen to our Father?** (*Some suggestions were given in the talk.*)

- **What tends to keep us from becoming “doers” of God’s Word? We read it, hear sermons on it, but find it difficult to DO it. Why? How can we brothers help each other actually DO God’s will and Word? What are the benefits if we do according to James?** (v26)
