Team Talk

- ✓ What stood out to you the most in the talk today?
- ✓ Have one team member summarize James' argument in these verses just to focus the discussion.
- ✓ How would you respond to someone who said: "James and Paul seem to be approaching salvation in Christ differently with Paul emphasizing faith and James works. I think there is a contradiction between Paul and James."
- ✓ If a man says he has faith in Christ and shows Christ-like character and does good deeds and sins, what should he do? (I John 1:9). Does James definition of true faith mean that Christians will not ever sin again?
