### **FORGE MEN : GREAT MAN SERIES: DIETRICH BONHOEFFER- Dr. Dan Lacich**

*Facts about the Life of Bonhoeffer*

## Team Talk

In what ways do you see cheap grace at work in the church today and what is the alternative?

Why do men find it difficult to do "life together"? What has been a time in your life when you experienced what Bonhoeffer did?

Bonhoeffer had the chance to avoid going back to Germany but didn't. How do you decide what God wants you to do in difficult situations that there is not a Bible verse to directly apply? Do you have a personal example?

What is your reaction to Bonhoeffer being involved as a spy in the German military and being part of the plot to assassinate Hitler? How does this fit with your picture of Jesus?
