Team Talk

Q- V13- Who have you known who you believe really has/had godly skill in living their life? How did his skillfulness in living play itself out before you?

Q- V14-16 How could Christians have bitter jealousy and selfish ambition!? Shouldn't those horrible traits have been wiped out of us when we came to Christ? And how can that toxic combination of bitter jealousy & Self-selfish ambition play out in the real life context of Christians worshipping and serving together? Have you ever seen this at work in the church? What kind of disorder did you witness?

Q- Which of these traits speaks to you the most? Pray around the table for each other to take on these traits!
