## Team Talk

1. Have you ever wondered how someone you know could be called a Christian and exhibit bad character? Well James here is addressing Christians! Which of these negative “marks of worldliness” have you seen the most in your time as a Christian? Do these traits mark your church? Which of them do you struggle with the most?
2. Why is this such a crucial time in the world and in our country for Christians not to be worldly?
3. In v5 we see that God is jealous for us! How does that speak to you? Do you tend to **feel** that God loves you and really wants to be close to you? How would your self-worth quotient go up if you really grasped His jealousy and love for you?
4. As the talk unpacked the Grabbing Grace section, verses 7-12, which stood out to you as a command that you could comply with today?
