TEAM TALK

1. If someone were to ask you, “What is your understanding of the Holy Spirit, and your relationship to Him?” How would you answer?
2. Up until now what has been your engagement with the Holy Spirit? Meaning do you acknowledge (or even sense) His presence in moments of personal, or corporate worship and prayer?
3. Would you consider yourself a cessationist, a continuationist, or somewhere in the middle? Why, what has shaped your theology in this area? (This is to get to know your brothers not convert them)
4. Do you think it's important in your relationship with God to acknowledge the Holy Spirit as a person? Or, is it simply enough to worship the Father and the Son?
5. What do you understand the Holy Spirit's role is in your sanctification? Do you believe He can really give you freedom from sin, and fullness of righteousness, joy, and peace in this life?
