TEAM TALK

- ✓ In the first point made today, we saw why from Leviticus 16:6-30 & Deuteronomy 18:9-14 the Canaanites were the legitimate recipients of God's justice through the Israelites. Make sure you understand the reasoning here, because many non-Christians as well as Christians do not understand why God would use His people for this purpose. Is this a role for the church today? Why or why not?
- ✓ What stands out to you in Judges chapter 1 as significant for us as Christ following men today? There IS a lot of truth and application here.
- ✓ Make sure you leave today recognizing that Israel was to set up a Godly nation through which the Messiah would come and the world would recognize Him! And that the Church continues this role!

DAWG: Day 1 Read Leviticus 16:3-30- a lot of verses I know. Notice that God gives these regulations for Israel to follow a) because they are His redeemed people, and b) because these are what people in the culture around them were doing that was sinful and really opposed to successful and flourishing living. Make a short list of what our culture is promoting that is damaging to us. Day 2 Read Deuteronomy 18:9-14 and follow what you did yesterday. Day 3 Read Ephesians 2: 11-21 and notice how Christ's work built a new Israel comprised of Jew and Gentile. Think this over. Day 4 Read I Peter 2:1-12 and notice carefully the terminology used of Christians, the Church, that is distinctly language that was formerly applied to Jews. From yesterday's DAWG & today's, reflect: The Church is Israel in this day and age. How does this help us see how important our role is as Christians?
