TEAM TALK

- ✓ Talk about FORGE's word for 2023 for a bit: Courage. How would you define courage? What people have best illustrated courage to you? Do you see yourself as courageous?
- ✓ What stage of life are you in according to the 5 stages of men talked about today? What might be the biggest challenge of this stage of your life right now?
- ✓ If a man really gets grace right he can keep his identity focused as the deeply beloved and redeemed son of the Most High God. How can this work out in our practical daily life and keep us focused on how God defines us now in Christ, not how others or situations define us?
