## TEAM TALK

- ✓ **What did you learn about the severity of adultery and why adultery is so devastating a sin? Why do we downplay adultery in American culture today?**
- ✓ **Jesus' clarification of the 7<sup>th</sup> Commandment makes every man guilty as a lawbreaker. If you were talking to a man about verse 28 and he said: "Well then I might as well go ahead and commit adultery with a woman!" What would you say to him?**
- ✓ **What are some of the "extreme measures" talked about today that will help us as Christ following men be "pure in heart"? What other extreme measures have you used to keep moving in the direction of being pure in heart?**
- ✓ **Have one or two men pray for the other guys around the table to be pure in heart and grow in conquering sexual lust. If you have never prayed out loud in a group, take a risk and be one of those men to pray a short prayer!**
