## TEAM TALK

- ✓ Recap what the different types of mourning/sadness are that were talked about this morning, and the bottom line about what Jesus means by “Blessed are those who mourn”. How does the second Beatitude follow logically from the first Beatitude: “Blessed are those who are poor in spirit”?
- ✓ Knowing Yourself: When you are unhappy, do others know it? Do you know it? Who knows you are unhappy when other people might not know you're sad? Can you hide that you are unhappy? Is it difficult for you to let people know when you are unhappy? Why? Say only what you're comfortable talking about here.
- ✓ Of the benefits of mourning over our own sin talked about this morning, which stood out to you and why?
