Team Talk

- Just make sure you understand around the table: what is justification? What does it mean? How do we get justified before God?
- In your experience have you seen more people pulled in the Galatian direction or the Corinthian direction? How about yourself- what is your tendency?...to trust in your law keeping ability or to sort of cut loose and not worry about your behavior?
- Do you ever get to the point where you think you'll never grow spiritually in a particular area? How does a proper view of law and grace keep us from ultimate discouragement?
- Why is this subject so important for us as husbands, dads and granddads?
