TEAM TALK

- ✓ What did you learn (or were reminded of) today about the sacraments/ordinances of Israel and the Christian Church? Around your table tell what your view of baptism and the Lord Supper is-without fighting!

- ✓ When you step out the door each day for work, where do you need to exercise faith in God? What areas of your life are the most difficult to trust that God will come through for you?

- ✓ In those moments when you have great trust in God, how does it affect you mentally and emotionally? Internally and externally?

- ✓ What do you need to trust God for today?!
