TEAM TALK

- ✓ What “Jerichos” are Christians facing these days? What seemingly impossible challenge/s are you facing right now? (You could just stop here and pray around the table for each other if there are challenges each is facing.)
- ✓ What commands of God might you be struggling with that seem, “unorthodox”, ie, that what He wants you to do seems so outside the normal way of doing life and impossible to do?
- ✓ How would you answer this statement personally right now: “If God can take down those walls at Jericho, He can certainly _____ in my life.”
- ✓ AI: What is an important take away lesson for our lives here?
