✓ **FAITH:** What does it mean that Caleb had “Another Spirit” and what is it about the life of Caleb that can encourage us and strengthen us in our faith? What does it mean that he FULLY followed God? (Numbers 13:30; Numbers 14:23-24)

✓ **FEARLESSNESS:** What can we learn from Caleb regarding his belief that giants couldn't prevent Israel from achieving victory to possess the land promised to them? What giants did Caleb defeat and what can we learn from Caleb as a leader and giant-slayer? Name one or two giants in your life that you have defeated or need to defeat? (Numbers 13:33; Deuteronomy 9:2; Joshua 15:14)

✓ **FAMILY:** What is the significance regarding Caleb's heritage as a Kennizite Canaanite while representing the Israelite tribe of Judah as one of the spies sent out by Moses? What lesson we can learn regarding Rehab who saved what Jewish historians believe was Caleb as one of the two spies Joshua sent out and how it prefigured Jesus including Gentiles into His family? (Genesis 15:19-20; Exodus 12:37-38; Joshua 14:6,14)
