Team Talk

- ✓ “One faith, one Lord, one baptism.” If this is true, then why are Christians so easily divided against each other like the broader American culture is turning against itself? How are our divisions in the body of Christ unworthy of the hope to which Christ has called us?
- ✓ “Apostles, prophets, evangelists, pastors and teachers.” What are the distinctions among these leaders of God’s people? How is the ministry of the Word of God what they share in common? What does this tell us about the importance of God’s Word for unifying us with each other?
- ✓ “Speaking the truth in love.” Have you ever seen the truth of God’s Word used as a hammer to divide Christians against each other? What is the difference between speaking God’s truth in love and speaking it in anger, with impatience and with humility? How does speaking truth in love bring unity among believers?”
