## TEAM TALK

- ✓ Paul's statements in Philippians 1:21 & 23 is astonishing! What are some implications of a man having this perspective toward life? What freedom and power does it bring?
- ✓ We are not all apostles of course, like Paul. But we can have a focus like Paul talks about in verse 22-26. What is the essence of Paul's personal contribution that we can follow? (Perhaps verses 25-26 are key here.)
- ✓ How does a church move toward being what Paul describes in v27-30? What role do strong men of faith play in helping a church move toward this kind of clarity on our objectives?
