## TEAM TALK

Suggested Questions for this week:

- 1. Talk about how men struggle with being proud and feeling insecure, often, but not always at the same time. Why is that? How can pride and insecurity co-exist in us at the same time?
- 2. How can you summarize how this talk suggested that we can grow in humility as Christ-following men?
- 3. How can we become more aware of the spiritual warfare that rages around us that we so often don't feel is raging around us? How can we become more conscious that Satan is like a roaring lion seeking to literally devour us?
- 4. Why do we so often think that our suffering is totally unique and confined to my alone? Why is that so destructive to us as men seeking to grow in Christ-likeness?
