TEAM TALK

1. Judges 13:1- Given how typically sinful people are, how are you dealing with the average sinners in your life at this point in life? Are you angry at them a lot? Are you fearful of people? Or cynical? Or withdrawn from them? How can Christian men live realistically surrounded by sinners without becoming chronically angry or withdrawn? How do you love people you can count on to sin and let you down?

2. What stands out to you as important from verses 2 on? (We covered a lot of teaching here!)

3. What is your takeaway today from FORGE that you're going to think through more deeply the rest of the week?
