## TEAM TALK

- ✓ Review: How did the message define SLOPPY GRACE? Do you agree/disagree that this is a problem among Christians today? What illustrations of it do you have, if any?
  
- ✓ How can we best summarize the NT's teaching on the relationship between Christ's work for us in salvation and how that works out in a man's character? What is the relationship between faith and good works? Do we need good works for salvation?
  
- ✓ Pick one of the areas where it was suggested we're seeing sloppy grace today among Christian men in America. Do you agree or disagree on what was taught? What clarifications or elaborations can you bring to what was said? How, if at all, were you challenged to think about your character or how you should lead your family in the future?
