TEAM TALK

1. What was interesting to you (if anything) about Paul's first missionary journey so far?
2. How does the challenge to talk to people about Jesus actually strike you? Is this something that seems so far outside your comfort zone that you won't even consider it? Would you actually consider it given the right circumstances?
3. Are you open to the challenge to develop or take advantage of certain circumstances to talk about Jesus?
4. How will your ethics in the world place need to be in alignment with the Bible so that you will feel comfortable talking about Jesus?

MENTORING GUIDELINE: Plan a time to meet with the man you will mentor. When you meet get caught up for a few minutes and then say: "Ok, let's get into it!" Pray a brief prayer that God would open both of your hearts to His truth-then:

- ✓ Show him the outline of the FORGE Talk
- ✓ Read the Passage or let him read the passage from the Bible.
- ✓ Ask him what he thinks Jesus is teaching/communicating in the passage read.
- ✓ Based on what you learned at FORGE (And your own study) clarify what Jesus taught.
- ✓ Work on applications together. As you conclude your time pray for power to apply and set next meeting.
