BUILDING TEAMS: SYNERGY MATTERS- Acts 15:36-41

TEAM TALK

1. Review around your table what was the central issue in the First All Church (Ecumenical) Council held in Acts 15. What was the issue and why was it so important? Does this issue impact us today as Christians in the 21st Century?
2. How did this talk emphasize that solving problems in a team or family or church is crucial? What elements of problem solving do we see positively portrayed in Acts 15 by the leaders of the church? Can we apply these to our home lives as men as well as to work and church?
3. Do you have a challenging situation right now that is demanding problem solving skills? If you feel free to share it, do so-maybe your team can help.
4. We saw that Paul and Barnabas could not agree on the right team for the Second Missionary Journey. Do you think these two strong leaders made the right decision to split up? How did God use this division?
5. What do you think are some key principles for building the right team for home, work and church?
